EXECUTIVE SUMMARY

The Office of Workers' Compensation Administration (OWCA) in the Louisiana Department of Labor presents its 2005 Annual Report. It is intended to assist the public in understanding the functions and activities of the OWCA and to answer some of the most frequently asked questions about work-related injuries.

In 2005, the OWCA persevered in its goals of minimizing the occurrence of workplace injuries, while assuring prompt delivery of appropriate services. The office maintained its commitment to provide quality management in its efforts to accomplish major improvements in the workers' compensation system for the present and in the future.

The Workplace Safety section identified 1,909 safety and health hazards and of this number 780 were serious hazards. The section conducted 1,029 on-site visits. The unit also awarded 11 Cost Containment Program ([CCP](#)) certificates and participated in some 14 Safety and Health Achievement Recognition Program (SHARP) awards for Louisiana employers. The unit also distributed thousands of quarterly safety reports (LDOL-WC-1017-A) which identify employers who are experiencing above-average injuries for their industry classification.

In 2005, the Hearings section continued to effectively manage disputed workers' compensation claims and assist parties in resolving their disputes. The section received 5,548 disputed claims in 2005, a decrease of 955 disputed claims from 2004. Through efforts of the section, 1,664 trials were held in 2005, compared to 1,919 in 2004, which represents a 13 percent decrease. Four thousand four hundred thirty-four settlements were also approved in 2005.

The Medical Services section continued to process disputed medical claims in less than 30 days from date of receipt. A total of 839 independent medical examination (IME) requests were received in 2005, a decrease of 12% in the number of requests during the same reporting period for 2004. In 2005 the average time to review and schedule an independent medical exam was 16.71 days, a 15% decrease from the same reporting period for 2004 of 19.18 days. The section received 735 disputed medical reimbursement claims during the 2005 reporting period, an increase of 53% for the same period in 2004. An average of 131 medical claims per month were received in 2005, an increase of 18% over the 2004 reporting period.

The Records Management section responded to more than 6,332 requests for public information, with a response time of less than three days. In 2005, 34,251 workers' compensation reporting claim forms were reported to the section, a decrease of only 16 percent from the previous year. The preliminary number of workers' compensation reporting claim forms processed decreased by 27 percent. The number of electronic LDOL-WC-1007 forms continues to increase as more customers utilize the system.

The Finance and Compliance section received and approved applications for self-insured status, examined statutory compliance regarding workers' compensation coverage, and conducted on-site audits. In 2005 within the state, 514 companies were approved to be self-insured. Some 309 insurance companies were authorized to sell workers' compensation insurance.

INTRODUCTION

The Louisiana Office of Workers' Compensation Administration (OWCA) was created in 1983 in order to administer the Louisiana Workers' Compensation Act. The office exercises its authority under Chapter 10 of Title 23 of the Louisiana Revised Statutes.

The Office of Workers' Compensation Administration Budgeted Expenditures – 2005

The assessment rate for fiscal year 2004–2005 decreased .28 percent over the previous fiscal year. The decrease was due to the recovery of \$4 million in back owed assessments.

The SIF promotes the hiring of these individuals by protecting employers/insurers from excess liability for workers' compensation. The SIF reimburses employers/insurers for the medical and compensation costs paid to employees who have met the statutory qualification. The SIF provides an economic incentive to employers to hire or rehire individuals with pre-existing disabilities. The SIF provides online claim status to employers and insurers. In addition, the SIF makes electronic fund transfer ([EFT](#)) options available to employers.
